## Missionary News

On July 16, Judith Newland (Japan) is scheduled to fly from Japan to the U.S. to begin a year long Home Ministry Assignment. She is thankful for all that God has done these past four years and how He has abundantly provided for her a place to live, furniture, car, and more. She has asked that we continue praying with her for God's transforming work in Japan and the world. Prayer is also needed in her effort to raise new support to return to Japan (\$800.00 per month).

Roy & Kristy Boyd have been in Asia just over a year and are blessed by all that God has done. Their team has arrived and they also have a great team of volunteers working with the college and university ministry. Roy has had opportunities to preach at a sister church and Kristy has started a women's Bible study. They are mentoring a couple who have been married for two years and are learning a lot about leadership style and how to grow as leaders. They are in the middle of a Christianity Explored course for university and college students and are looking forward to seeing how the students apply what they are learning.

They have asked us to pray for more students to join them, and that they would bring friends and that they would have the confidence to share with their Muslim friends. Pray for two new church plants in 2010. Pray for the Student Ministry Team as they take on more responsibility. Pray for their marriage, interaction with team & church members and for the whole Asian Crescent & that many Muslims would hear the gospel & believe it.
