Dear CPC Family

This fall the JOY team has begun a new program called Pioneer Adventure Club. Each Wednesday we meet downstairs to sing, do a Bible lesson, play games, and make fun things while we learn about Jesus. In September we learned about God created everything and how good it is! The memory verse that we learned is Proverbs 22:6b "By the word of the Lord were the heavens made."

We had fun experimenting with some of the things in nature that God created including water, light, air, and gravity. I think the most fun was our "exploding" corks.

At the end of each unit the kids will receive a special patch that will go on banners that will be hanging in the library, come see them sometime this month.
